Foreword

The Book of Ecclesiastes reminds us that "For everything there is a season, and a time for every purpose under heaven." The School Board, the Administration, and the Faculty, with the cooperation of the students have found time to make Beaver Falls High School one of the finest.

In the TIGER of 1960, the staff is recording in print and picture the many activities to which we have devoted our time. We hope that the time of each has been so spent that it will result in lasting friendships, beautiful memories, and continued successes.

It's time for ...

DR. L. D. SMITH
Superintendent of Schools

Dr. Smith inspires both the students and faculty of B.F.H.S. We like the thoughtful and humorous talks given in our assemblies and pep rallies. We also like the rally which he personally conducts on the morning following a game. We like the fact that his life is devoted to making our school a better place in which to live and learn. He is always ready, willing, and able to do anything which he believes will make our school better.
